The Soirée En Cœur returns for its 21st festive and charitable edition

Montreal — The En Cœur Foundation is pleased to announce the 21st edition of its prestigious Soirée En Cœur, an unmissable charitable event that will take place on October 29 at the Plaza Centre-Ville in Montreal. Under the theme “Bubbles and Sneakers,” this unique evening aims to support children with congenital heart disease and their families.

Artists with big hearts take the stage

Guests will enjoy a memorable experience featuring inspiring speeches, an interactive live auction, and outstanding musical performances by **Les Petits Chanteurs du Mont-Royal, conducted by Andrew Gray and the duo Nathalie Choquette and Florence K.** More than 500 guests from the business and medical communities are expected to attend. All funds raised will go directly toward financing the essential services provided by the Foundation.

Honorary Chair and Event Hosts

Presented by CIMA+, an engineering consulting firm, the 2025 edition will be held under the honorary presidency of **Mr. Denis Thivierge**, President and Chief Executive Officer, whom the Foundation warmly thanks for his commitment. **Patricia Demers**, a long-time collaborator, will host the evening alongside **Daniel Melançon**, television host and sports columnist.

Our heartfelt thanks to our many partners: CIMA+, Boralex, BCF Business Law, EllisDon, La Maison Simons, Englobe, Therrien Couture Joli-Cœur (TCJ), TD valeurs mobilières, Normandin Beaudry, CAE, Banque Nationale, Richter, Zoom Media, SAQ et nos partenaires de service!

Give
wings to
those who
need it.

What if your generosity could become even more sustainable?

The families we support live with uncertainty every day. Your monthly donation allows us to offer them stability. Thanks to you, we can, among other things:

-  Provide 12 nights of accommodation per year for only \$10 per month
-  Maintain our support groups, individual support services, and financial assistance:
-  Provide 15 meal vouchers for only \$10 per month

Give wings to those who need them by becoming a [monthly donor](#).

About the En Coeur Foundation

In Quebec, **1 in 100 children** is born with a heart disease or defect, which means that approximately **900 new families** are confronted with this diagnosis each year. The Foundation's mission is to provide information, support, and comfort to children with congenital heart disease and their loved ones, while raising awareness among the general public about the importance of supporting them.
